A Lifetime of Gospel Music & Ministry

Thank you for being a vital part of the Gene Higgins music and ministry. Growing up in church I begin leading the choir at the age of ten where my Dad was minister. Through the years God blessed my voice to touch and change lives through the power of music. To all my family, friends, and fans, you have blessed me and my family to have a wonderful life.

Through the years I have recorded several long play albums, 8Tracks, cassettes and CDs. Recently I hired a company to transfer all my projects over to CDs. (A very expensive project.) I have recorded over 250 songs which the Lord gave me the words to over 50 songs. My first recording at the age of 17 was the Washington Avenue Youth Choir under my direction. Then I moved on to The Singing Celestials, The Rock City Boys, and on to my solo career. There are 250 songs in this package: songs about Heaven, Jesus Christ, the Blood, and Salvation. There are other songs about Mom and Dad, the family, the church, and faith and country. (Such as God Bless The USA) These songs will be a blessing for hours of enjoyment.

Many of the projects include artists like Anthony Burger who went on to great fame in Gospel Music. Please consider ordering these 250 great songs of Inspiration. Add Gene Higgins Music to your library of music for hours of life changing music.

For a gift of \$250.00 you will receive 250 songs. If you enjoy Gaither type gospel music you will enjoy these songs. Place your order today. Please allow 4-6 weeks for delivery. As a bonus I will add my Nashville produced video of "Tomorrow Without Me".
